

**Stopping the easy way
costs a lot less than not
stopping the cheap way**

Assembled Brake Kits

Once again we demonstrate our commitment to service and quality by offering brake kits that are pre assembled on the spindle making it easy... not cheap! You may find a cheaper kit than ours, but you will never find a better one!

Power booster
Master cylinder
Prop valve kit
Spindles
Brackets
Splash shields
Calipers

If you collected all the loose
change that's under floor mats
you could purchase 'Yo-Yo's'
for every third grader in the
United States

The "Poor Man's" Rear Disc Brakes

Big 11" Assembled Rear Drum Kit

**Stops in 25
less feet from
60 MPH**

Ford 9" Rears

Now you can have the performance of rear disc brakes at a fraction of the cost. Our rear drum upgrade kit uses big 11" drums, high performance shoes and hi volume wheel cylinders to give you a huge improvement over the drums you currently have. All components are pre assembled on the backing plate for easy bolt on installation.

Ford 9" small bearing rears
